The law firm of Carlile Patchen & Murphy has for over 40 years concentrated on responsively serving the legal and business needs of mid-sized Central Ohio businesses and their owners and executives. Beyond the traditional advice on choice of the appropriate business entity and structure of ownership interests, the firm lends its extensive experience in counseling on financing, tax planning and operations; and ultimately to sale or transfer of the business to a strategic buyer, the employees or succeeding generations. Employment matters, and litigation if all else fails, are also areas where the firm's attorneys frequently offer skilled advice and timely assistance.
