**Carlile Patchen & Murphy Joins TAGLaw  
Membership in Worldwide Network Will Enhance Service to Clients**

**Columbus, OH – February 18, 2010** – Carlile Patchen & Murphy LLP has joined TAGLaw, a worldwide network of quality business-centric law firms. Carlile will be the exclusive member of TAGLaw in Central Ohio.

“We are delighted to have been invited to become members of this network. Our association with this world-wide organization of law firms will significantly enhance our ability to support our clients’ ever expanding regional, national and international legal needs,” said Bob Barnett, Managing Partner. “TAGLaw will provide us access to high-quality firms in the specific locations in which our clients need additional local representation. This will immediately help us better serve our clients.”

TAGLaw was founded in 1999 by The Appleton Group with the goal of creating a worldwide network of the highest quality, independent law firms. It has grown to be one of the largest global legal networks, including more than 140 firms in over 75 countries. Its members are considered among the leading firms in their respective jurisdictions.

“Carlile Patchen & Murphy is an excellent firm, and we are pleased to have them as part of the network,” said Peter Appleton Jones, founder of TAGLaw. “The breadth and quality of their services as well as their reputation and prominence in Central Ohio makes them an attractive resource for our national and worldwide membership.”

The law firm of Carlile Patchen & Murphy has for over 40 years concentrated on responsively serving the legal and business needs of mid-sized Central Ohio businesses and their owners and executives. Beyond the traditional advice on choice of the appropriate business entity and structure of ownership interests, the firm lends its extensive experience in counseling on financing, tax planning and operations; and ultimately to sale or transfer of the business to a strategic buyer, the employees or succeeding generations. Employment matters, and litigation if all else fails, are also major areas where the firm’s attorneys regularly offer skilled advice and timely assistance.
